Docket No. 2009-185-W

Time: 5:00

Dear Public Service Commission,

I Keith A. Taylor am writing this due to the fact that Mr. and Mrs. Burton have hired Elliott & Elliott Attorney At Law. In their defense have tried to say I am not part of the complaint and are trying to have it dismissed over that. I am requesting that you will add my name to the complaint that has been filed. My name is on the complaint that was filed, but I was unaware that I needed to have signed the complaint. I am asking you to please not dismiss us over this technicality. I have been dealing with the recent loss of my grand-mother and nephew.

Sincerely,

Keith A. Taylor
